

Warranty

Product Group: Labeling Equipment

Weber warrants that, based upon information supplied by the customer / Weber partner and, in case the concerned product is a P&A system, documented on the Labeling Systems Survey (LSS) form, the equipment sold will meet these specifications.

Weber applicators and printers are guaranteed free from defects in parts and workmanship for twelve (12) months, from the date of delivery, based on a normal eight (8) hour operating day. The place of fulfilment is 53619 Rheinbreitbach, Germany.

In the event that the customer claims such a defect, the defective part shall be sent to the Service Department for inspection with the prior approval of the service department.

If the part is found to be either mechanically or electrically defective and the defect is not caused by mishandling, Weber will repair or replace the product and return it to the customer by covering the costs for parts and repair time. If the product is determined not to be defective, the customer will be notified and the product will be returned.

This warranty is limited to the original purchaser of the system and is superseded by all other warranties, expressed or implied, and shall not be modified in any way.

On-site warranty service is available at the prevailing hourly rate plus travel and living expenses.

All orders are subject to acceptance by Weber Marking Systems.

Product Group: Coding Equipment

Weber warrants that, based upon information supplied by the customer / Weber partner the equipment sold will meet the specifications.

Weber coding systems are guaranteed to be free from defects in parts and workmanship for twenty four (24) months, from the date of delivery, based on a normal eight (8) hour operating day. The place of fulfilment is 53619 Rheinbreitbach, Germany.

In the event that the customer claims such a defect, the defective part shall be sent to the Service Department for inspection with the prior approval of the service department.

If the part is found to be either mechanically or electrically defective and the defect is not caused by mishandling, Weber will repair or replace the product and return it to the customer by covering the costs for parts and repair time. If the product is determined not to be defective, the customer will be notified and the product will be returned.

This warranty is limited to the original purchaser of the system and is superseded by all other warranties, expressed or implied, and shall not be modified in any way.

On-site warranty service is available at the prevailing hourly rate plus travel and living expenses.

All orders are subject to acceptance by Weber Marking Systems.
